Ghunsa & Thubten Choling Gompa

This is a unique trek beginning in the lower Everest region, an area of exceptional scenic beauty, then taking us through villages untouched by tourism to cross the Everest trail and visit Thubten Choling Gompa (monastery) with its 150 monks, exiled by Chinese repression, worshipping in their beautifully painted monastery building.

The trek will also include visits to a number of other Buddhist monasteries, a visit to a School and Health Post funded by CAN in a remote Nepali community and an opportunity for those with the energy to trek to a height of 13,604 ft on the Konglemu Danda (ridge) to experience spectacular views of surrounding mountains including Everest.

Ghunsa & Thubten Choling Gompa

Itinerary

Day 1

Arrive Kathmandu

Namaste! And welcome to Kathmandu, the colorful capital of Nepal where ornately carved balconies mingle with beautiful shrines and temples. Your adventure begins with a welcome meeting on arrival at the exit gate of Kathmandu airport. Our staff will welcome you with CAT's palm plate and pick you to your accommodated hotel and rest of the day you can relax at the hotel or short evening walk around local market on your own as per your wish.

Day 2

Fly to Phaphlu, Trek to Ghunsa

We transfer to the airport for the early morning flight to Phaphlu 2470m. Phaphlu is midway between Kathmandu and Everest, and from the flight there are outstanding views of Gaurisankar and in particular Menlungste. Our trekking day starts with a one hour walk to the Buddhist Monastery at Salleri. This is a new and finely painted Monastery, funded by Sir Edmund Hillary's Himalayan Trust. A 4-5 hour trek south then takes us down the Solu Khola valley through Sherpa farms (Bhitta Kharka village) towards the village of Ghunsa where we stay overnight and will undoubtedly experience a great welcome from the villagers. This area is home to the first school and health post that CAN funded.

Day 3

Ghunsa school visit, trek to Phaplu

We start the day with a chance to look around the school built by CAN and to meet the teachers and pupils. This will give us a unique insight into this remote Nepali community. After lunch the path from Ghunsa contours around the side of the valley through Tamang settlements. We climb gently before descending through Sherpa farmlands and then steeply down to Solu Khola. After crossing a suspension bridge there is a steep climb back to Phaphlu – completing the bottom loop of the figure of eight outlined by our trek. 4 – 5 hours walking.

Day 4

Trek to Ringmo, Monastery visit

A wonderful day trekking in Sherpa country, through forests, fields and beautiful Alpine landscapes. We take a late lunch at our camping place at Ringmo 2720m 5 – 6 hours walking. After lunch, those who wish to can trek to the large Buddhist Monastery just over Tragshindo La (pass) 3071m (2 hours extra walking).

Day 5

Trek to Thubten Choling Gompa

After breakfast we descend for about half an hour to the river. Shortly after crossing the bridge we turn right at the large tea house, leaving the main Everest trail and climb up through the forest for about two hours to Yak Kharka. We take lunch on the shoulder of Konglemu Danda (ridge) 3400m from where there are stunning views of Everest and the surrounding peaks. From here, those that are fit have the chance to trek up the ridge to 3600m (3 hours extra).

The rest of the group continue over and down the other side of the ridge by a pleasant trail leading through open pasture and then forest, calling in at the Thubten Choling Gompa (monastery) just before our camp by the river. This monastery is vast, with many small stone built cottages clinging to the hillside where the monks and nuns live. It may be possible to see the Buddhist community chanting from their texts and to listen to the sounds of trumpets, drums and signing. 5-6 hours walking.

Day 6

Trek to Phaphlu

After breakfast we descend for about one hour to Junbesi 2680m with its stupa and small gompa. The trail then leads us through sherpa villages to our lunch stop after crossing the Beni Khola. After lunch we walk along the riverside before climbing upwards for approximately one hour back to Phaphlu where we celebrate the end of our trek. 4-5 hours.

Those with the energy can, after lunch, take a side trip up to Chiwang Gompa (monastery) high on the hill above Phaphlu. 2½ hours extra.

Day 7

Fly to Kathmandu, free time in Kathmandu

Today we fly back to Kathmandu where we are met and transferred to our hotel. The rest of the day is free to shower and rest after our trek and to explore the wonderful city of Kathmandu. Just walking the narrow streets and market squares is a wonderful experience of colour, noise and bustling activity.

Day 20

Free day in Kathmandu

There is time today to shop for crafts or explore the city. Kathmandu is a great place to buy presents! Half day or full day sight-seeing trips can also be arranged to Patan or Bhaktapur, the other two historical cities in the Kathmandu Valley through our Kathmandu Office.

Day 21

Depart Nepal

Transfer to Kathmandu airport.

Land only prices

The cost of flights, in particular those to Nepal, are less predictable than they used to be. Airlines now request full payment upfront. As a result, we will quote you a land-only cost, and quote separately for the cheapest flights we can find at the time of your booking. We will, however, require full payment for the flights prior to booking them. If you prefer to search for alternative flights yourself, we can sell you the trek at the land-only price.
